Yellowstone National Park, Wyoming 83020

IN REPLY REFER TO:
A2827

July 10, 1964

Memorandum

To: Director

From: Superintendent, Yellowstone

Subject: Superintendent's Monthly Narrative Report - June 1964

General

Weather Conditions. Precipitation was recorded on 25 days during June; including snow, rain, or hail. Moisture was about three inches above the June average. Maximum temperature recorded in the Park was 85 degrees at Mammoth on June 26; the minimum was 23 degrees at Old Faithful on June 24 and at Tower Falls on June 2.

The Beartooth highway was closed parts of seven days due to storms and slides.

Increase or Decrease in Travel. Visitation for the month was 349,302 persons, in 97,084 cars. This is an increase of 5% above June 1963.

Distinguished Visitors. Assistant Secretary of the Interior John A. Carver, Jr. and his family visited the Park on June 25.

Union of Soviet Socialist Republics Ambassador Anatoly Dobrynin and his wife arrived at Old Faithful Inn June 27 and toured the Park accompanied by Ranger Dale H. Nuss. The Ambassador stated he would like to see Yellowstone as the average tourist. Ranger Nuss escorted the Ambassador and his wife to Grand Teton National Park on the morning of June 28.

Foreign Visitors. Dr. Erik Bjorkman, Royal School of Forestry in Upsalla, Sweden arrived June 5. Dr. Bjorkman is a Forest Ecologist currently in the United States as an exchange professor.

On June 8 His Excellency Mereuna Frances d Silva Jayaratne (Ambassador of Ceylon) and son, Srinike Mayaratne arrived at Old Faithful Inn.

June 9, Mr. and Mrs. Jose Penykovi, Madrid, Spain stopped in the office and talked with Associate Superintendent Castellum. Mr. Penykovi is a big game hunter and has presented the Smithsonian Institute with the largest elephant ever taken.

UNITED STATES
DEPARTMENT OF THE INTERIOR
NATIONAL PARK SERVICE

On June 21, Veikko Kokkola, Member of Parliament of Finland and Mr. Resort Ecologister, Pentti Pajunen arrived at Old Faithful Inn.

Special Activities. Everyone at Yellowstone was shocked to learn of the disaster at Glacier National Park on June 8. Reports of the flood damage in Glacier were received here from HAM Operator [illegible] Glacier, station W7GCD, through Ben Cameron, HAM station [illegible] Gardiner, Montana. Associate Superintendent Lute A. Castellum had the opportunity to talk personally to Superintendent Holmberg by the radio. We are very fortunate to have Ben Cameron, Gardiner Postmaster, who is a ham radio operator in this vicinity, as all communications in Glacier National Park were non-operable.

Fishing season in the Park opened June 21 on Yellowstone Lake and Squaw Lake.

The Boise-Cascade Cooperative Elk Management Meeting held June 4, at headquarters, included representatives from the States of Idaho and Montana, the U. S. Forest Service, and Bureau of Land Management. Purpose of meeting was to review progress made in wildlife management in Yellowstone and the proposed 1969-70 Northern Yellowstone elk and range management program.

On June 3, Chief Park Naturalist Good conducted Dr. [illegible] of the Australian National University on points of special interest in the Park. Dr. Brown is a geologist and is studying rock formation in this country.

Superintendent John E. McLaughlin was in Washington Office the week of June 7 attending meetings on the North Cascades Study, and other matters.

The Chamber of Commerce in Billings, Montana, sponsored a train trip to Yellowstone National Park on June 14. This is the second annual "Yellowstone Special" train which took approximately 475 people to the Park. Six mayors were on board the "Special" - Wilbur L. Peters, Mayor of Billings; the mayors of Red Lodge, Bridger, Laurel, Hardin and Cody and Lovell, Wyoming.

A group of National Park Service personnel joined the group in Livingston; also on the train were representatives from the Yellowstone Park Company, Mrs. Bagnet and the group at Mammoth and representatives from the Yellowstone Park Company boarded at the group at Gardiner and transported them to Mammoth for luncheon at the Mammoth Hotel. The group was given a conducted tour of the Terraces. This is a good will tour sponsored by Billings wholesalers.

The Chamber of Commerce extended an invitation to hold the Park's 93rd Birthday Celebration in Billings in 1965. Associate Superintendent Castellum, in the absence of Superintendent McLaughlin accepted the Billings invitation.

At the request of the Montana Aeronautics Commission, Superintendent McLaughlin represented the Yellowstone National Park at a meeting in Helena on June 22 with the Western Airlines and the Yellowstone Park Company. Mr. George Beall, Ronald K. Kennard and L. T. Hibbard represented the Yellowstone Park Company. Dick Lindley, John Hurd and James M. Keefe represented the Western Airlines. The Commission estimated a minimum of $20,000 would be required to operate the airport annually; 100 to 120 days of operation were anticipated. Western Airlines intend to operate Electra equipment into the airport on a shuttle basis from Salt Lake City to Great Falls and return. The National Park Service will assist in locating snow removal equipment for early and late operation of the airport. The Yellowstone Park Company and Western Airlines will expend $60,000 in alleviating the airport. The Commission tentatively concurred with the name of "Yellowstone Airport" and the dedication date was set for the second Sunday in June, 1965 - tentatively June 13. Commission representatives were Gordon A. Dickman, Jack Hughes, V.F. Cogswell, and Harold A. Lynch, Executive Director.

Chief Park Naturalist Good spent June 15 with Dr. Roy Jenson of Yale University assisting in the collection of gas and water samples from several springs in the Park. Dr. Jenson is conducting a study of sulphur bearing gases.

Superintendent's staff meetings were held June 4 and 11th.

Administration

Personnel.

Transfers: Lawrence W. Waymire, Disposal Plant Operator (Seasonal) to Pumping Plant Operator, Grand Canyon National Park, eod, June 30.

Special Assignment. Richard L. Walden, Supervisory Park Ranger, has received a transfer and promotion to Staff Park Ranger (Assistant to Personnel Management and Manpower Development, Branch of Training, GS-11, in the Washington Office. This special assignment is for a period of approximately two years.

Miscellaneous. Superintendent McLaughlin's family arrived in the area the first of June and were honored on June 5 when employees gathered in the Multi-Purpose Room for a Tea Social.

Another Tea Social was held June 15 honoring the Jesse Nusbaums and the Richard L. Walden. Jesse Nusbaum has accepted the promotion and transfer to Shadow Mountain National Recreation Area, Rocky Mountain National Park, Colorado. Mr. Walden accepted a temporary assignment in the Washington Office.

YELLOWSTONE NATIONAL PARK, WYOMING

Marriages. William Ayers and Carol Olson were married in the Yellowstone Park Chapel, June 20, at 2:00 p.m.

Michael R. Brown and Elaine T. Boucher were married in the Chapel, June 20, at 7:00 p.m.

Harry Engels and Anne Demarest were married in the Chapel, June 20 at 7:00 p.m. Mr. Engels is a seasonal carpenter.

Kenneth T. Miller, Park Ranger (General) was married to Miss Janet Tollefson June 20, in Storm Lake, Iowa.

Conservation, Interpretation, and Use

Interpretive Services. Madison Visitor Center opened June 15 (Madison Campfire Programs began June 15; Norris Geyser Walks began June 16, Old Faithful Nature Walks started June 15. Camp talks at Old Faithful Geyser were given before each eruption during the day and early evening hours. Fishing Bridge Visitor Center opened June 1. Bridge Bay Campfire talks began June 23 when the new amphitheatre was put in operation.

Collaborator. The collaboratorship of Dr. Kenneth Bird was extended on May 31 for two years to permit further work on his study of interrelationships between gophers, range conditions, elk and geological formations.

Research and Observation. Three early morning plane flights were made for a bison census; the greatest number of animals were seen in Hayden Valley. A total of 413 were seen in the Valley with a calf drop of about 20% for the herd groups seen.

Early in the month Chief Park Naturalist Good observed a turtle at Bridge Bay across the bay from the boat dock. The turtle was running on a log, but dropped off into the water when Mr. Good approached within 75 yards. Turtles have not been observed in the Park for many, many years.

RED SPOUTER. During the third week of May changed from a liquid to a gas phase. Due to heavy rains during June, it shifted back to the liquid phase about June 12, which condition lasted the remainder of the month. Since this spring came into being following the 1959 earthquake, this is the first time a shift in type of activity as occurred that was due to precipitation. With the change from a gas to a liquid phase there was a rise in the level of the Fountain Paint Pot.

Both CASTLE and RIVERSIDE erupted with marked regularity during June. The average interval for Castle was 9 hours and 10 minutes; and Riverside's average was 6 hours and 18 minutes.

For the first time since the 1959 earthquake GRAND is beginning to show some regularity. During the month of June the intervals varied between about 15 and 24 hours with 19 hours the average.

YELLOWSTONE NATIONAL PARK, WYOMING

During June, 284 eruption intervals were checked on Old Faithful. The average interval was 64.3 minutes; the extremes were 61 and 67 minutes.

STEAMBOAT GEYSER. Two records were broken during the month by Steamboat Geyser. Previous to June, an interval of seven days was the shortest on record. During June, two 6-day intervals were recorded. Four eruptions were noted during the month, the most observed in any month in Steamboat's history.

A large overhanging ledge broke from Tower Spring Terrace during the night of June 25.

There were 22 collecting permits issued during June.

Sanitation. Park Sanitarian Miller made 22 inspections of food establishments throughout the Park. Most were accompanied by Ranger personnel.

Food service training was held at Mammoth, Canyon, Lake, and Old Faithful with 520 persons attending.

Health. The Park Sanitarian collected 37 water samples throughout the Park this month.

Law Enforcement. A total of 89 reported law enforcement incidents occurred during the month. Twenty-six were reported to the Federal Bureau of Investigation.

Ranger Activities. The North Entrance station was manned on 24-hour operation June 14; West Entrance and Communications center, June 20; Northeast Entrance, June 24.

On June 16, Rangers and Elister Host Control men assisted all night for Mark Williams, 3 years of age, from Chino, California. The child was from his parents' camp in the Old Faithful Campground. The boy was found 10 hours after being reported lost; well but cold.

Three emergency trips were made by Park District Ranger personnel using patrol vehicles as an ambulance to the Lake Hospital. On June 12, Park Ranger Colbreth became ill and was taken to the hospital on June 13. Mr. Ephraim Hunter who was burned in a fire at the Old Faithful Lodge, and June 25, two year old Christy Reed, who suffered a crushed vertebrae when charged by a bison at Old Faithful. An emergency patient was provided on June 11 from Dunraven Pass to Lake Hospital for Canadian lowman who was suffering from serious internal bleeding.

Concessioners. All concessioner facilities were open and in operation by June 26, except Summit trips to Mt. Washburn.

The Yellowstone Park Medical Service opened the Lake Hospital on June 1. Dr. Thomas F. Stevens was in charge during the month. The dispensary at Old Faithful Lodge, West Thumb and Fishing Bridge opened on June 12.

National Park Service Officials met with the Concessioners June 4 at Old Faithful Inn for their monthly meeting.

Concession Orientation. Training programs continued during June for Boat operators; Managers and Assistant Managers of the Yellowstone Park Lodging Facilities; and Managers and Assistant Managers of the Yellowstone Park Service Stations.

Complaints. A few complaints have been received about inconsiderate use of the Yellowstone Park Company facilities.

Roads and Trails. Snow removal [illegible] was completed on June 1, with opening of the Mount Washburn road.

Campgrounds. The Grant Village campground opened June 1; Bridge Bay, June 12; Norris, July 2; Canyon, July 5; and Canyon additional, July 6.

Forest Protection. All lookouts were manned by June 15. Eight smokejumpers were signed up and five reported for duty in Yellowstone by June 22.

Building Fire Protection. Seventh fire brigade training was held June 14.

U. S. Geological Survey. The rangers cooperated with the U.S. Geological Society by making weekly readings of the depth and flow of the Madison and Lamar Rivers.

Weather Bureau. Ranger continued to read the soil moisture gauge at the Gallatin for the Soil Moisture Service.

Wildlife.

Bison: A bull was destroyed on June 19 in the [illegible] area. This animal was responsible for injuring two children on two different occasions.

Elk: The first elk calf in the [illegible] District was observed on June 1. Three elk calves have been seen in the Gibbon Meadows.

Bears: A sow gave birth to a cub in Sulphur Caldron parking area on the afternoon of June 28.

Park Rangers cooperated with Montana State College in biological elk collections in the cooperative elk research program.

Public Affairs

Publicity. On each Thursday the Information Office [illegible] to keep employees, concessioners, and others currently informed of park happenings.

Three press releases were issued: Opening of Fishing, Snowplow Log Update, and Northern Yellowstone Elk Meeting.

Religious and Chapel Use. The schedule for religious services through the Park was posted in the field areas. By the end of the month services for all faiths were being held. There were three weddings in the Chapel during June.

Public Relations. Supervisory [illegible] conducted a group of 35 nuclear science students around the Park. The group was enroute from the Argonne National Laboratory in Illinois to the National Reactor Testing Station in Idaho Falls, Idaho, and represented the countries of India, Sweden, Norway and France.

COMING

Associate Superintendent Luis A. Gonzalez participated in the following activities:

June 9 - Addressed the Managers and Staff heads of Yellowstone Park Company, after a luncheon meeting at Canyon Village. This was an orientation meeting for Managers to launch an area by area series of meetings to acquaint Park and Concessioners' employees at each area with role of Park and Concessioner and to create a smooth working relationship to provide visitors needs.

June 10- Talked before 100 members of Kiwanis Club of Butte, Montana on the "Role played by Montana Pioneers in the Creation of Yellowstone National Park."

June [illegible] Addressed a group of [illegible] at a dinner meeting of the United States Fidelity and Guaranty group from Rocky Mountain States.

June 17- Addressed a group of Yellowstone Park Service Station Managers at the Gardiner office.

On Friday, June 18, Mr. Maynard Hall, Manager of the Livingston Chamber of Commerce, Mr. Fred Martin, [illegible] and other business men from Livingston were escorted on a "Show Me" tour around the Grand Loop. Their [illegible] were [illegible] facilities and campgrounds.

Big Hole National Battlefield. There were 1,30[illegible] visitors registered at the Battlefield for the month of June, as compared to 2,[illegible] last year.

The Preliminaries for the drafting of a declaration of taking, for the construction site of 175 acres at Big Hole National [illegible] have been completed. The draft was forwarded to the Solicitor's office in Washington on June 17.

Contracts:

Emil Hartel & Son, Paul R. Lee (joint venture), Bozeman	Concession Sales Building, [illegible] Bay	$[illegible]
Hathaway Builders Chester, Idaho	Residence - 5 - Mammoth Comfort Stations - 2- Grant Village	$109,[illegible]

DESIGN AND CONSTRUCTION NARRATIVE

JUNE 1964

Plans, Maps and Surveys: The following drawings were reviewed or approved as indicated:

Working Drawing NP-YEL-2696, Parking Areas, Grand Loop.
Approved by Acting Regional Director subject to comments.

Preliminary Drawing NP-YEL-6037-A, Grant Village Amphitheater.
Approved by Acting Regional Director subject to comments.

Master Plan Drawing NP-YEL-3816-4, Upper Canyon Areas.
Recommended by Regional Director.

Working Drawing NP-YEL-6108, Trailer Sanitary Dump Station, various locations.
Approved by Acting Regional Director subject to comments.

Working Drawing NP-YEL-2600, Trails and Walks, Grant Village.
Recommended by Superintendent and by Chief, WDSC.

Working Drawing NP-YEL-2601, Roads, Picnic Areas, Park General.
Recommended by Superintendent and by Chief, WDSC.

Working Drawing NP-YEL-2602, Driveways, Employee Residences, Mammoth.
Recommended by Superintendent and by Chief, WDSC.

Final PS&E, East Entrance Road.
Recommended by Regional Director, Superintendent, and Chief of WDSC.

Preliminary Drawing NP-YEL-3803-A, Uncle Tom's Trail.
Concurred by Superintendent subject to comment.

Bid Openings:

June 16 - Visitor Center, Grant Village and Laundry-Showers-Office-Quarters Building, Fishing Bridge Trailer Village. Low bidder was Edvard Ansel of Lander, Wyoming with a combined bid of $318,000. No award. Ansel has claimed errors. A protest has also been received from Hunter-Saucerman. Decision pending from WASO.

June 25 - Montana portion, Beartooth Highway - State of Montana and USF

June 26 - Concessioner Sales Building, Bridge Bay. Low bidder was Carl Martell & Son and Paul R. Lee of Bozeman (joint venture) with a bid of $79,985.00

June 26 - Five Residences, Mammoth, and two comfort stations, Grant Village. Floyd Hathaway of Chester, Idaho, was low on both schedules - $20,235.00 on comfort stations; $89,200 on residences.

July 15 bids will be opened on Roads, Parking, Drives and Walks at various locations in the Park.

July 21 bids will be opened on Additions to Utility Systems, various locations in the Park.

Contracts Awarded:

No. 14-10-0243-578, Planting and Seeding, Clinic Building, School Grounds, Residential Area, Mammoth, $23,392.25 - to Vaughn's Landscaping and Tree Service, Twin Falls, Idaho.

No. 14-10-0243-587, Concessioner Sales Building, Bridge Bay, $79,985.00 - to Emil Martell & Son and Paul R. Lee, Bozeman, Montana (joint venture).

No. 14-10-0243-588, Permanent Employee Residences, five 3-bedroom, Mammoth - and Comfort Stations with Utility Connections, Grant Village Campground, $109,435.00 - to Floyd Hathaway, Chester, Idaho.

Notice to Proceed:

Effective June 8 - Vaughn's Landscaping, Contract 14-10-0243-578, Planting and Seeding, Clinic Building, School Grounds, Residential Area, Mammoth.

Resume Work Orders:

Morgan Construction Company, contract No. 14-10-0243-478, Water Reservoir No. 2, Lake - effective June 3.

Cave Construction, Inc., contract No. 14-10-0243-535, Marina Dredging and Bulkheading, Grant Village - effective June 10.

Cave Construction, Inc., contract No. 14-10-0243-536, Roads and Utilities, Fishing Bridge Trailer Village - effective June 17.

Stop Work Order:

A stop work order was issued June 10 to Hathaway, contract 14-10-0243-540, Schedule I. The resume work order issued May 21 was to have been effective June 1, but since that date weather had been unfavorable for outside work.

Preconstruction Conference:

Vaughn's Landscaping and Tree Service, June 8.

King Burghardt, Regional Bridge Engineer from the WRO Denver Office, was in the Park June 9 for an inspection of the Golden Gate viaduct and the high-level bridge over the Gardner River.

Gene Mott, WODC Project Inspector, moved to Lake June 4. Project Supervisor Martin returned to the Park May 30; Landscape Architect Rosenberg, June 18; various other WODC personnel throughout the month.
